PROCUREMENT

DESIGN ARCHITECT

One of the nation's leading Planning, Architecture, and Interior Design firms is searching for a Design Architect with 3-8 years of experience.

Qualified Candidate Should Possess:

- Bachelor or Master's Degree in Architecture
- License preferred – Strong interest in obtaining architectural license if not
- Proven design experience and a strong portfolio exemplifying creative designs for architectural projects
- Experience managing the design process from pre-design/programming through construction administration
- Demonstrated ability to collaborate with a project team and project manager from conception to completion to effectively meet aggressive deadlines and high client expectations
- Significant experience working with expanded project teams, including engineering consultants, general contractors, and vendors
- Fluency in AutoCAD, Revit, or other BIM software
- Current and working knowledge of building codes, AIA documents, and procedures
- Contract Administration capabilities
- Experience in hospitality design is preferred

Specific Responsibilities Include (but are not limited to):

- Supervising and mentoring the architectural design staff
- Leading the architectural design for conceptual master plans and building design through detail development, construction drawings, and documentation
- Coordinating efforts with all associated technical disciplines to ensure deliverables are on target
- Conducting code review and compliance
- Assist production team in preparation, QA, QC, and review of construction documents
- Serving as a Chambers representative for clients as well as suppliers, vendors, and colleagues within the industry
- Maintaining a strong presence in professional organizations (such as AIA)
- Engaging with our high-end private club clientele and other key stakeholders

BENEFITS & COMPENSATION

Chambers offer competitive compensation commensurate with experience, as well as a generous benefits package and a welcoming environment that encourages and supports professional development.

MORE ABOUT CHAMBERS
